### **Space and Naval Warfare Systems Center Charleston Awards Contract**

CHARLESTON, S.C. — Eagan, McAllister Associates, Inc., Lexington Park, Md., is being awarded a \$9,651,725 indefinite delivery, indefinite quantity, cost-plus-fixed-fee type contract to provide engineering, logistical and technical support services to augment the Space and Naval Warfare Systems Center Charleston (SPAWARSYSCEN) Communication Systems Department program/projects managers and engineers in development, test and evaluation, and life cycle support of communications-related systems, subsystems and equipment. The support services will require applying recognized scientific and technical procedures to system engineering, software engineering, security engineering, test and evaluation, installation maintenance and site support, configuration management, quality assurance, logistics, material control, training and program management functions. This contract includes four one-year options which, if exercised, will bring the total cumulative value of the contract to \$49,404,857. Work will be performed at the contractor's Charleston, S.C. facility (66%), and SPAWARSYSCEN, Charleston, S.C. facility (34%), and is expected to be completed by July 2008. Contract funds in the amount of \$50,000 will not expire at the end of the current fiscal year. This contract was solicited under full and open competition. The request for proposal was posted on the SPAWAR Business Opportunity website with three offers received. The Space and Naval Warfare Systems Center, Charleston is the contracting activity (N65236-03-D-5859).
